

So then, just as you received Christ Jesus as Lord, continue to live your lives in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness.

From the minister (in training)...

I learnt today that for the Celts, 1st September was the new year. Which explains why I have this ancient yearning for a new pencil case and automatically put plasters on my heels to stop blisters from new shoes at this time of year. I don't think it's just me; we all love the idea of the promise of a fresh start, a new beginning and we are granted that every day with God. Thank goodness for that!

Paul reminded the people of Colossae in our verse this week though, that every day is more than a fresh start. Every day is a fresh *choice*; the chance and the duty to reaffirm our love and faith in God, to re-choose the path we took however long ago it may have been. That might feel daunting. It is a **big** commitment but God doesn't leave us alone to deal with it.

Look at Paul's words; we are rooted, we are built up, we are strengthened with and by Christ, through God's Word and through the privilege of prayer. This verse reminds me of Psalm 1 where the psalmist talks about being like a tree with deep roots soaked in God's presence. It makes that daily choice a little easier when we have a firm foundation, a solid rooting to keep us on that path we chose, however long ago.

Does that sound a little contradictory; a fresh start and also staying in the same place?! Isn't that what's wonderful about our faith? It's paradoxical and interesting and no one analogy will ever work! Both are true and my prayer for us all this week is that we find peace in the new beginnings and also strength in knowing where and who we are.

Prayer for Ukraine – A Prayer for Peace

God of peace and justice,
 we pray for the people of Ukraine today.
 We pray for peace and the laying down of weapons.
 We pray for all those who fear for tomorrow,
 that your Spirit of comfort would draw near to them.
 We pray for those with power over war or peace,
 for wisdom, discernment and compassion to guide their decisions.
 Above all, we pray for all your precious children,
 at-risk and in fear, that you would hold and protect them.
 We pray in the name of Jesus, the Prince of Peace.
 Amen

On 25th September as part of our Harvest Service we will holding our next donation to THAT Food Bank. I am very mindful of making this request, at a time all households are having to make huge adjustments due to the cost-of-living crisis. The crisis impacting individual households has a knock-on effect with Foodbanks across the country, including THAT, which affects the amount of donations they are receiving.

Today I spoke with THAT to ask where there is especial need at this time and the list is below:

Instant Mashed Potato (acknowledging that this is difficult to source at the moment)

Tinned Potatoes, Sugar, Custard - tinned or packet, Jam, Squash, Sweet Biscuits, Crackers

Porridge Oats

Toiletries - including razors for men, deodorant (men and women), toothbrushes, flannels/sponges.

At the same time, please DO NOT donate Baked Beans, Tinned Soup or Pasta - this time around - they have plenty.

Thank you for whatever help you can provide for the most vulnerable in our Community.

Sue

Therefore encourage one another and build each other up, just as in fact you are doing” 1 Thess. 5:11

We need to encourage each other and stay connected. Do you have a Bible verse, poem, passage or song or any of the following? Something you are thankful for. Something that has made you laugh. If you have found something online that would be a good resource for us, please share. If you don't feel comfortable sharing in "person" this may be the way for you to encourage others.

Engaging with Contemporary Culture (5/11 & 3/12) – the world we live in continues to go through the most dramatic changes many of us have seen in living memory. How can we relate the unchanging message of the gospel to those immersed in the post-pandemic, post-Christian, digitally integrated, increasingly economically challenging culture in which we live? Rev Carl Smethurst (Regional Minister – Mission, SWBA) with contributions from Hannah Fleming-Hill (Digital Missioner) help us navigate our way in this 'brave new world'...

All our PFS modules are now available onsite in our Exeter offices (for the best possible experience) or by Zoom (for those who can't attend in Exeter).

Many thanks!

Christian Response to Easter Europe (cr2ee)

They ask for:

- ▶ Funds to send the items to Moldova. Each lorry costs around £4,000.
- ▶ We have also been sending funds direct to our colleagues in Moldova to enable them to buy items immediately whilst waiting for the lorry to arrive.
- ▶ Very good clothing and bedding (duvets, blankets, sheets, duvet covers, sleeping bags - not second-hand pillows), food - non-perishable and must be in date by at least 6 months, (tinned food, pasta, rice etc.), over the counter medicines, toiletries (not bubble bath as most do not have baths), sanitary towels, nappies, and incontinence pads.
- ▶ Help in collecting items from people. The lorry departs from Exmouth.

Christian Response to Eastern Europe REVIEW OF 2021

cr2ee's MISSION is to provide relief to disadvantaged and vulnerable people living in Eastern Europe through the support of donations received from individuals and organisations in the UK.

Help is given by supporting families, soup kitchens and churches through financial gifts, taking humanitarian aid and medical supplies, and setting up projects to provide long term benefits and independence.

2021 HIGHLIGHTS

- We sent £85,000 to Moldova, via trusted partners, to support families, soup kitchens and churches working with the poor.
- We sent 3 lorries to Moldova containing excellent quality clothing, over 6000 Christmas shoeboxes and family boxes, and other humanitarian aid – in total over 32 tonnes of aid.
- All this was achieved despite the Coronavirus restrictions because of the amazing flexibility of our volunteers and supporters to deliver, sort and load aid when it was possible.
- In Moldova about 200 poor and needy families, 4 soup kitchens and several children's camps/activities were supported.
- It was particularly important that we maintained support for poor families in Moldova during 2021 because of the impacts of Coronavirus on health, the high inflation for fuel and other goods, and the cold winter.
- We sent out newsletters and held prayer support meetings to help keep supporters updated on cr2ee's activities.

There were **3 TRUSTEES** during 2021:

- Graham Carey – Chairman
- Richard Critchley – Secretary and Treasurer
- Hugh Scudder – Charity Director

We met online on 5 occasions to manage cr2ee's finances and operation.

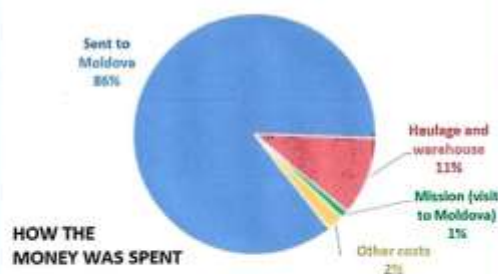

A BIG THANK YOU

to everyone for your support, donations of money and aid, sorting and loading of aid, and many other helps. Cr2ee is able to help people in Eastern Europe only because of you.

We are also particularly grateful to the owner of the Spiders Lane site who allows us to use it, without charge, to receive, sort and load the humanitarian aid, and to the Romanian lorry driver who does such a wonderful job of delivering the aid to Moldova at discounted charges.

cr2ee is a **VOLUNTARY ORGANISATION**. We have no staff, no-one receives any pay and everyone gives their time freely. As a result, cr2ee's administration costs were only 2% of total expenditure.

Christian Response to Eastern Europe Ukraine Appeal update August 2022

UKRAINE APPEAL HIGHLIGHTS

cr2ee's Ukraine Appeal was launched in February. There has been an amazing response:

- Many donations of money and humanitarian aid
- Our stores were overflowing with aid
- Massive work by volunteers in our stores
- Our Romanian driver prioritised our deliveries
- Our partners in Moldova provided amazing help to refugees

As a result, cr2ee has been able to:

- Send money weekly/fortnightly to our partners helping Ukrainian refugees – in total about £87,000 has been sent
- Send 3 lorry loads to Moldova full of clothing, bedding and other vital humanitarian aid for Ukrainian refugees
- Send 2 lorry loads direct to Ukraine with food and humanitarian aid
- We are continuing with our work for Ukrainians

We want to say a massive **"THANK YOU"** to all who have supported the appeal in so many ways.

OUR SUPPORT FOR MOLDOVA CONTINUES

Sadly, the needs of vulnerable and poor families continue, and indeed are worsening due to rising prices and very poor harvests.

During 2022, cr2ee has continued to:

- Send monthly family support and one-off grants (over 200 families are supported)
- Support soup kitchens and the work of our partners

Also, Hugh has visited Moldova in April/May and July/August to encourage our partners and understand the needs.
