There is a particular in need for toiletries as they have been blessed with a good run of food donations any of the following would be greatly appreciated:

We are thinking of running an Alpha Course at KCBC. But what is it?

Alpha is a series of sessions exploring the Christian faith. Each talk looks at a different question around faith and is designed to create conversation. Alpha is run all around the globe, and everyone's welcome. It runs in cafés, churches, universities, homes—you name it. No two Alphas look the same, but generally they have three key things in common: food, a talk and good conversation.

To run one, we will have to think how to pitch it in our context, then, using the many resources, plan the course. All we need now is a team of people willing to meet and discuss. Pray about whether this is something you could be a part of - or maybe come as a guest and explore faith for yourself.

“Therefore encourage one another and build each other up, just as in fact you are doing” 1 Thess. 5:11

Do you have a bible verse, poem, passage or song etc. that has been of encouragement or that you are thankful for that you would like to share? If so please let me know so that I can include it in the newsletter and we can all encourage each other. Thanks to all those who have provided items last year. *Sarah*
