Word Alive - Discipleship in the 21st Century.

Discipleship is the path to following God in Christ and of learning with Him. Simple, surely? At least simple to say what is involved. We have a Quiet Time each day where we read some Bible verses and say a prayer. We tell people we are a Christian, we control our anger and sexual desires. We go to church weekly though that used to be twice weekly for many and tithe. And go to a Bible study group. Yet so much is changing.

With Facebook, Snapchat and web communities, the way many hook up is web based. Many church activities can be done without having to meet in person and Christian learning and devotion can be achieved using resources out there on the web. Indeed, the community aspect of discipleship is being radically changed by some to consist of Facebook for regular contact and personal contact only for coffee at Starbucks or Costa. We will be putting together a description of what discipleship involves for the early 21st Century. What is essential for discipleship and how can we help others achieve that?

I look forward to hearing what you all have to say. It might contain some surprises!

David

“Therefore encourage one another and build each other up, just as in fact you are doing ”

1 Thessalonians 5:11

It is great to hear how God has been encouraging his people. Throughout Scripture we see instructions to encourage one another and verses that are meant to encourage us.

Here is something that I read the other day...

Just a thought from Mccullough.....

*We may not be the kind of people we want to be, we may be a long way from our goals, we may have more failures than achievements, we may not be wealthy or powerful of spiritual, we may not even be happy, **but we are nonetheless accepted by God, held in His hands.***

Do you have a bible verse, poem, passage or song etc. that has been of encouragement that you would like to share. If so please let me know so that I can include it in the newsletter and we can all encourage each other...thank you *Sarah*
