**The following URGENT request has been received
from Phil at the URC**

Dear Friends,

If you have been moved by photos/interviews/news reports of the refugee crisis - regardless of what you think the answer might be - maybe you have wondered if there is anything you can do to help - not by way of arguing politics - but by way of a simple, decent Christian response to obvious need.

If so - then there is a great need for MENS CLOTHES for people living in "the jungle" camp at Calais - and there are plenty of volunteers to get them there.

I will act as a collection point for anyone who has any mens clothing/footwear that you can donate.

Nothing else for now - just MENS CLOTHING/FOOTWEAR.

Many, many thanks in anticipation of your generosity.

Phil

David Goddard has agreed to be the collection point at KCBC he will then pass any items collected on to Phil

“Therefore encourage one another and build each other up, just as in fact you are doing ” 1 Thes 5:11

It is great to hear how God has been encouraging his people. Throughout Scripture we see instructions to encourage one another and verses that are meant to encourage us. It would be great if YOU could forward bible verses, poems, passages, songs etc. that have been of encouragement, I can then include them in the newsletter and we can all encourage each other...thank you

Sarah

Introduction to Centering Prayer

If you are interested in prayer then please consider coming along to this day. It is open to all denominations....

What others have found in using centering prayer has been a way of cultivating and accessing an inner silence; a way of seeing God in everything; of being more alert to all that is around us and to act with love. The fruits of contemplative prayer can lead us to a growing awareness of God as the Source and Centre of all and an increasing capacity to live ordinary life with extraordinary love. Centering Prayer will not replace your usual practice of prayer it will enhance it.

Saturday 10th October 2015: 10am until 3.30pm.

Venue; Methodist Church Hall, Fore Street, Bishopsteignton.

Cost £8 for the day. Beverages provided, please bring your own lunch

Please book early: To book please contact Ruth Sewell

The Syrian Refugee Crisis

At Word Alive last Sunday evening, we exchanged a variety of well thought out views on the crisis as we reflected on the many Old Testament passages that direct God's people to look after aliens and strangers in the land, giving justice and showing compassion.

From this, a letter has been composed to our local MP expressing both where we agree with the government, what we urge our MP to campaign for, and giving offers of help from us. Please read the letter, which is on the table. If you agree to it, please sign the separate sheet.

If you want to join with national petitions, you may want to consider the following websites:
