## Hall setting up and clearing away

At 8:30 a.m. most Sundays, Nat has been down at the hall setting up and has done much putting away at the end of the service. However, Nat's condition means he can no longer do this but now is the time for all who can to step in and share the load. Here is how we need to operate:

**Before the service:** Musicians set up instruments, p.a. operators set up the sound system, laptop operators set up projector. **10:00 a.m.** Able bodied people arrive to set up chairs, tables, noticeboards, baby area and banners.

**After the service:** Musicians, p.a. and laptop operators clear up their own equipment but no more. At **12:20 to 12:30**, able bodied people stay behind to clear away the chairs, tables, notice boards, baby area and banners.

All this means is staying behind a little longer, though many are there anyway. This also leaves us all free to talk to guests, have prayer ministry and have pastoral conversations after the service, leaving general clearing to when many people leave the hall anyway. The extra may only be a mere 5 minutes work before you leave.

Let me know how you get on, or if you can improve this system.

Thanks! David

*It would be brilliant if you could let me know your favourite verse, if you let me know why that would be even better.*

Do you have a bible verse, poem, passage or song etc. that has been of encouragement that you would like to share? If so please let me know so that I can include it in the newsletter and we can all encourage each other...thank you *Sarah*
