35/82 something to be pleased about? Remember back to the days you took tests at school and your marked papers were returned to you. One of the common responses is to find out how everyone else did. So, how is everyone else doing?

I have no idea how everyone else is doing, but I do know how some of the local Baptist churches are doing and how they are handling things like masks in the service. A common theme is the difficulty in bringing together the different responses to the pandemic. Everyone has those who are apprehensive about returning and those wanting all restrictions lifted. Much like us. Many are finding positive expressions for worship together, learned in lockdown. Much like us. We are one of the few who offer a hybrid service where the Zoom Crowd can interact with the Hall Crowd. Thank you, Tech Team. Most are finding it hard to get people back to volunteering, so things like welcoming, cleaning and children's work are not covered. Some are pleased to have restarted Messy Church and toddler groups. So are we.

It is good to know we are not alone in the challenges we face and we are not facing anything that others aren't facing. And our response is very much akin to what other churches are doing. 35/82 for us, then. Not so bad it seems.

David

Getting going again

As we look to get the church functioning again, there are many ways you can get involved. Here are some to consider.

- Help operate the PA. Not over-taxing as our young people have shown over the Summer. Full training is provided.
- Operating the laptop and projector. Young people have shown the way again over the Summer. It is not too complicated but a vital part of what we offer in the service.
- Setting up the hall. Chairs, tables, bits and pieces of PA all need getting out those cupboards and putting in the right place. Come down at 9:00 to lend a hand.
- Welcoming. Each week 2 people need to be on the doors from 10:00 to welcome everyone, hand things out and be around should help be needed in the service.
- Help with Eagles and Owls on a rota basis.
- Serving refreshments. As we start this up again, eventually we need a team to sustain it.
- KILTS and Messy Church. We need a new set of people for each as our teams have been depleted over lockdown.

A full instructions are provided for each team.

If you are able to help please let David or a member of the leadership team know you really will be an answer to prayer.... Thank you

Therefore encourage one another and build each other up, just as in fact you are doing" 1 Thess. 5:11

We need to encourage each other and stay connected. Do you have a Bible verse, poem, passage or song or any of the following? Something you are thankful for. Something that has made you laugh. If you have found something online that would be a good resource for us, please share. If you don't feel comfortable sharing in "person" this may be the way for you to encourage others. *Sarah*

Thank you to Sheila for the following:

"We are all pencils in the hand of a writing God, who is sending love letters to the world."

And Joy for

*You can focus on the person that hurt you OR
..... THE GOD THAT HEALED YOU.*
