## For mums:

Coming to Belmont Chapel Exeter 17<sup>th</sup> June

Give yourself the night off – join popular TV and radio presenter Diane Louise Jordan and inspirational speaker and author Cathy Madavan at Care for the Family's *Mum's the Word* event for a fun and insightful evening designed especially for mums.

Mothers are so often unsung heroes, and this special evening is about recognising and affirming their role in society.

But that's not all. We also hope to bring encouragement, support and fresh inspiration to mums with children of all ages.

Last year we had a Spanish student staying with us she noticed that we have lots of rainbows here and how beautiful they are. Apparently they do not get many in Catalonia but also no rain.

It made me think although I don't like the rain but without it we would not have the rainbows!

I pray that God helps us in in the sad times in life when we can remember that we are not alone, he will never leave us.

Please remember ...

It would be great if YOU could forward bible verses, poems, passages, songs etc. that have been of encouragement, I can then include them in the newsletter and we can all encourage each other ...thank you *Sarah*

### Moreton Deanery Music and Worship Event

A chance to celebrate the gift of music, learn some fresh songs and encourage musicians in the area. The leader for the event is Andrew Maries, the Diocesan Consultant for Liturgy and Music and he brings his own experience and enthusiasm for helping congregations to sing better through some interesting but simple skills in musicianship.

Details on the noticeboard.

Sunday 1st March at Chudleigh Parish Church

Here is a quote from the Church of England's Letter from the House of Bishops to the People and Parishes of the Church of England for the General Election 2015. It starts:

*We live in challenging but hopeful times. All political parties struggle to communicate a convincing vision. People feel detached from politics. Alongside a healthy openness to new ideas, worrying and unfamiliar trends are appearing in our national life. There is a growing appetite to exploit grievances, find scapegoats and create barriers between people and nations. The issues around the election call for a fresh moral vision of the kind of country we want to be.*

Bible passage they choose is “

Whatever is true, whatever is honourable, whatever is just, whatever is pure, whatever is pleasing, whatever is commendable, if there is any excellence and if there is anything worthy of praise, think about these things.”

Philippians 4:8
