### Befriending at Coombeswood Residential Home

Would you like to befriend residents at the home? Some of those we see at our services might appreciate a visit whilst there are others at the home who have few, if any, visitors. And for some, having someone to simply read to them would be of great therapeutic benefit.

If you are interested in being a befriender or would like to know more, please see Anja or David.

*If you know of other events, or changes to our programme, please let me know, I would rather be told twice than not at all. If I don't know about it I can't put it in the newsletter!*

Thank you *Sarah*

## *Invitation to Prayer from the "Prayer Ministry team"*

Warren Wiersbe says;

God will have no rest till he accomplishes His purposes for His people and the world will have no peace.

He asks us to "give him no rest" (Isaiah 62v7) but to intercede in prayer, for the prayers of his people are an important part of the programme of God.

We believe that God is calling us to spend more time in prayer as individuals, in small groups and as a church so....

- ✿ At 10am each Sunday before the service members of the Prayer Ministry team and the Worship Group pray together upstairs in the Sunday School room.  
This prayer time is open to everyone, so please come and join us, we would love to see as many as possible at this meeting.

- ✿ Wednesday 25th June 7.30pm a time of Worship, Prayer and Healing at 30 Slanns Meadow.

God Bless  
The Prayer Ministry Team

***Just a thought....from Claire Goddard***

*The Mosaic that makes God Whole*

*from Can you drink the cup? By Henri Nouwen*

*Community is like a large mosaic. Each little piece seems so insignificant. One piece is bright red, another cold blue or dull green; another warm purple, another sharp yellow, another shining gold.*

*Some look precious, others ordinary; some look valuable, others worthless;*

*Some look gaudy, others delicate.*

*As individual stones, we can do little with them and judge their beauty and value.*

*When however, all these stones are brought together in one big mosaic, portraying the face of Christ, who would question the importance of any of them? If one of them even the least spectacular one, is missing, the face is incomplete.*

*Together in one mosaic, each little stone is indispensable, and makes a unique contribution to the Glory of God. That's community, a fellowship of little people who together make God visible in the world.*

*If you have a thought you would like to share please pass it on to Sarah.*
