Sunday 30th May

10:30am Worship service at the Community Hall, including a CAP feature.

From David

Now we are looking to have our first live worship at the Community Hall for 14 months, here is the way we hope to go...

We will join together in a hybrid time of live and Zoom, a key difference of the live service having singing together and an opportunity for talking face-to-face afterwards outside the hall. (But we will need a little help. See below...)

We hope to crack the technology challenges that await us. This is no easy task, and the TechTeam will be doing all they can to bring about the hybrid service. Please bear with them.

It is anticipated that we will all come back at our own pace. Some are waiting to get both jabs, others seeing how it goes, others diving in straight away and paving the way for the rest of us.

Our meeting is to be as safe as we can reasonably make it. The hall is sanitised before we arrive (and after!), the numbers meeting are low, we will have plenty of ventilation

and I will have had a lateral flow test the night before. If you are concerned about meeting others, you may come and go without being anywhere near anyone and do not need to chat. You may even leave before the outdoors singing.

We will respect those who are attending but need to take extra care because they can't (yet) have a vaccination. We will keep a reasonable distance when talking and avoid contact like shaking hands or hugging, except with permission.

Help! This Sunday we need 2 welcomers on the door. A helps sheet awaits so you are know exactly what is required. So please let me or Sue know if you can help.

Friday Outing

We will be meeting (weather permitting) for an outdoor, socially distanced time together in Forde Park, 10.30a.m. on Friday 28th May. All are welcome. Takeaway refreshments can be bought from The Pavilion, or you can bring your own. Please bring something to sit on. If you are interested in coming along please let Christina Greeves know.

Therefore encourage one another and build each other up, just as in fact you are doing" 1 Thess. 5:11

We need to encourage each other and stay connected. Do you have a Bible verse, poem, passage or song or any of the following? Something you are thankful for. Something that has made you laugh. If you have found something online that would be a good resource for us please share. If you don't feel comfortable sharing in "person" this may be the way for you to encourage others. *Sarah*

Videos and photos of you...To keep us connected, how about putting together a short video (no more than 3 minutes) on what you have been doing over lockdown. You could show us something that you have grown or built, somewhere you have gone or someone you met up with. Or a pet. Or your latest car if you have changed it. I suppose it could just be a photo but a short video maybe done on your phone would be fun. The idea is to give us a window into our life at a time when we are blocked off. Think what you can do and then send it over to me or the Tech Team and I will slot it in our time together on Sundays.
