10:30 am Worship service

From David...

KCBC have now had their first online Church Members' Meeting. A small milestone. Perhaps of more significance is what we talked over. We welcomed Matt and Ros Broadhead into membership and we approved David Butler extending his Treasurer role for another year, and approved Sue Watkin as deacon and Secretary for another year. We thank them for their continued service to the church, and Darren too, as he continues as a deacon. We have been a very busy leadership team since lockdown.

We had a time to take views and ideas on the possibility of meeting side-by-side at the community hall. One day we are going to have to take the plunge, so we considered the possibility of a one (or two) off service on Sunday, where up to 30 meet side-by-side and the rest join on Zoom, broadcast live from the hall and projected onto the screen. All the current restrictions will apply such as wearing masks, sitting apart, no singing – all those things – but maybe we can't wait forever until all restrictions are lifted or a vaccine is found.

So the question for you: If we did such a service, would you want to meet at the hall and try it out? How we organise it will depend on how many want to attend, so it would help to know what you would choose. Together in person or together on a screen. A simple survey will go out to everyone who uses a computer or smartphone and I ask that you get that back. A small but necessary step.

“Therefore encourage one another and build each other up, just as in fact you are doing” 1 Thess. 5:11

We need to encourage each other and stay connected.

Do you have a Bible verse, poem, passage or song or any of the following?

Something you are thankful for. Something that has made you laugh.

If you have found something online that would be a good resource for us please share

Sarah

Videos and photos of you...

To keep us connected, how about putting together a short video (no more than 3 minutes) on what you have been doing over lockdown. You could show us something that you have grown or built, somewhere you have gone or someone you met up with. Or a pet. Or your latest car if you have changed it. I suppose it could just be a photo but a short video maybe done on your phone would be fun. The idea is to give us a window into our life at a time when we are blocked off.

Think what you can do and then send it over to me or the Tech Team and I will slot it in our time together on Sundays.
