If you are interested in responding to the challenge of being baptised, we are meeting on March 27th at 7:30 to explore what the Bible says about baptism. If you have not been baptised as a believer then this is a valuable opportunity to grapple with what the Bible says. It is for every Christian. See David G if you are interested in attending.

A quote from Billy Graham...

God's call on your life may not be as dramatic as mine was, and the ministry that results from your obedience may not be the same as mine. But none of what that takes away from the significance of what you are going with your life in the service of your King.

There are different kinds of gifts, but the same Spirit distributes them.

There are different kinds of service, but the same Lord. There are different kinds of working, but in all of them and in everyone it is the same God at work.
