Befriending at Coombeswood Residential Home

Would you like to befriend residents at the home? Some of those we see at our services might appreciate a visit whilst there are others at the home who have few, if any, visitors. And for some, having someone to simply read to them would be of great therapeutic benefit.

If you are interested in being a befriender or would like to know more, please see Anja or David.

Just a thought.....from HE Smith

To man, seeing is believing; but the trouble is that we are so short-sighted that there are things we do not see; we only see the things of this life – the little plans we have for tomorrow; and disregard the things that really matter. With God, believing is seeing.

If you have a thought you would like to share please pass it on to Sarah
