From the minister...

This time of year often brings back strong memories. We anticipate childhood events when maybe we pestered for Christmas decorations to go up early and started making decorations at school. Or the smell of fallen leaves outside reminds us of the many times we have smelled Winter on the way. Then there is the reminder that not everyone we love deeply will be with us in this season. A strong mix of anticipation, joy and sadness. A season like no other.

As we approach the Advent season, we enter the experience of the Blessed Virgin Mary, whose emotions during that season must have hit the stops. What would she have felt? There must have been bewilderment at the visit of the angel Gabriel and maybe a bit of fear. A fair dollop of amazement at being chosen by God. And so much fear in facing Joseph with her news. For her, too, the season was filled with strong memories. We read she *'treasured up all these things and pondered them in her heart.'*

We bring our memories, our feelings as we approach Advent, and give them over to the Lord. We ask God by His Spirit to transform our many and even conflicting feelings and steer us through so that they make sense and steer us into what is good. Mary and Joseph managed to get through without collecting shame and instead were filled with joy as they saw God's purpose come to be. Joy for us too, please, Lord.

David

Choice Words

You may well know that we are your local Christian Book Shop based in Newton Abbot and we are excited to now be open 6 days a week again! Mondays -Saturdays, 9.30am to 4.30pm. We are here to help resource you and your fellowship in whatever way that we can.

Bible Reading Notes

Several churches have a representative who orders and distributes daily Bible Reading Notes for the benefit of their members. If you would like to order, just let us know how many copies of which publications and how you would like to pay. You will find a copy of our price list for 2024 attached to this email. Alternatively, you may prefer to print a few of these off to give to individuals to order their own. Advocating daily reading notes is a great way to encourage your fellowship to read their Bibles.

Advent and Christmas

Choice Words are the only local stockist of Nativity themed Advent Calendars as well as the Meaningful Chocolate Company Advent Calendar. But once they're gone, they're gone!

Why use a book shop in this day and age?

Firstly, you can shop local, your money stays in the local area, you can see a variety of resources all in one place and you are helping to support us to stay open. Why is this important? We are a Christian presence on the High Street, we are open 6 days a week unlike most church buildings, we as a staff are here and ready to chat to people, to offer support and encouragement as well as prayer and can point people to resources and to local church fellowships. As a High Street shop, we offer a safe and familiar environment for people to walk into and make enquires about Christianity and to discover the Bible and helpful Christian books for their journey. We are also a place where Christians love to come and spend time looking through our shelves and having a chat, often those who are older and live alone. We would love you to support our ministry in any way that you can so that we, in turn, can support yours. Do visit us and follow us on Facebook and Instagram for offers and updates.

10% Discount!

Finally, if you purchase anything from us for church use, you receive a 10% discount!

We look forward to hearing from you or seeing you in the shop.

Every blessing,

From Katherine and the whole Choice Words team.

Loving God,

We pray for the people of Ukraine, for all those suffering or afraid, that you will be close to them and protect them.

We pray for world leaders, for compassion, strength and wisdom to guide their choices. We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people of Ukraine and for all the world.

Amen.

UPDATE

As you know the lorry full of aid has arrived safely in Ukraine, it went through customs relatively easily as humanitarian aid, however, this is likely to change in the future so please pray that we can find a way of continuing to provide help.

Unfortunately, on the return journey the driver had to wait for over 15 days to get back into Romania because everything that used to go out via the ports now has to go by road and the checkpoints are not equipped to deal with the increased volume of vehicles.

We have been asked to pray for

- All the pastors who are separated from their families (some have not seen their children since the start of the war) and are struggling to support those who depend on them for spiritual guidance through sheer physical and mental exhaustion.
- For the safety of the army chaplains who do not fight but are on the front line supporting the soldiers.
- For all those who have lost family members or are waiting for news.
- For the mental health of all those affected.

On a more positive note CR2EE has been able to support the creation of a group assisting wives and mothers of soldiers.

We are supporting a church in Kherson where despite the bombing, church members are taking aid to outlying villages where people are surviving in ruins. With no one to repair anything (all the able-bodied men are away fighting), they say they want to spread the hope and light brought to them by Christ and CR2EE.

Nick and Sarah will be going to the warehouse on the first Wednesday of the month please continue to bring any items you have to church.

If you would like any more information or have anything to donate please talk to Nick or Sarah. Thank you for your continued support, we know it makes a difference.

Therefore encourage one another and build each other up, just as in fact you are doing" 1 Thess. 5:11

We need to encourage each other. Do you have a Bible verse, poem, passage or song or any of the following? Something you are thankful for. Something that has made you laugh. If you have found something online that would be a good resource for us, please share. If you don't feel comfortable sharing in "person" this may be the way for you to encourage others.

At the CR2EE News and Prayer evening, we were told how the gift of a bible literally saved a soldier's life. A charity had sent out bibles to be given to soldiers serving on the front line, one of whom placed his copy into his chest pocket. Later, news arrived that he had been shot in the chest but the bullet lodged in the bible he was carrying and he was not harmed. Saved by the word of God, for which we give thanks!!

Natalie Trigg, as a volunteer, is running a Coffee and Cake support group at St Michael's School from 2.30 to 3.05 every term-time Friday. This is open to all parents. She would really value prayer support from the church during these times, for Natalie herself and the parents who attend
