## **We are thinking of running an Alpha Course at KCBC. But what is it?**

Alpha is a series of sessions exploring the Christian faith. Each talk looks at a different question around faith and is designed to create conversation. Alpha is run all around the globe, and everyone's welcome. It runs in cafés, churches, universities, homes—you name it. No two Alphas look the same, but generally they have three key things in common: food, a talk and good conversation.

To run one, we will have to think how to pitch it in our context, then, using the many resources, plan the course. All we need now is a team of people willing to meet and discuss. Pray about whether this is something you could be a part of - or maybe come as a guest and explore faith for yourself.
