From David...

It has been good to have a number of people drop by our front door this week and deliver harvest produce for THAT food bank. We have quite an accumulation of things to pass on. We will do the drop off to THAT on Monday, so you may still have time to deliver things or contact me so that I can collect from your door.

As people have dropped by, a number have stopped for a chat or come in. It reminds me how beneficial it is to meet face to face – we have loved seeing you – but also how important it is to have had that contact by phone or Zoom so we are not complete strangers when we meet after all this time.

As lockdown time goes on and looks like extending for a long while yet, the need to keep in contact is great. Stay for chat rooms on Sunday, ring someone, Face Time, join a home group. Push the boundaries so you find a way to connect to others on a regular basis. And remember those who you might not usually talk to. It is too easy for people to get left out during this time.

Videos and photos of you...

To keep us connected, how about putting together a short video (no more than 3 minutes) on what you have been doing over lockdown. You could show us something that you have grown or built, somewhere you have gone or someone you met up with. Or a pet. Or your latest car if you have changed it. I suppose it could just be a photo but a short video maybe done on your phone would be fun. The idea is to give us a window into our life at a time when we are blocked off.

Think what you can do and then send it over to me or the Tech Team and I will slot it in our time together on Sundays.

“Therefore encourage one another and build each other up, just as in fact you are doing” 1 Thess. 5:11

We need to encourage each other and stay connected.

Do you have a Bible verse, poem, passage or song or any of the following?

Something you are thankful for....Something that has made you laugh.

If you have found something online that would be a good resource for us please share

Sarah

Please remember that without your input this will be really dull or even empty....

This time last year

We had started our Alpha course, was it really a year ago?

We are so thankful that it took place last year, as a direct result our homegroup was strengthened both in numbers and spiritually. It has meant that through these “unprecedented times” we have been able to support each other in prayer or just knowing that we are there for each other.

We have a homegroup Whatsapp group where we post encouragements and prayer requests and thanks when we see God at work.

We have also been meeting on zoom most weeks, alternating between a time of study and prayer and shorter time of chat and prayer.

We are so grateful for the support from our homegroup and that God put a group of Christians together to look out for each other at a time when we could have felt isolated.
