## *From David*

We are separated by 2,500 years, but many of our experiences of returning after lockdown are shared with the people of Israel as they returned from exile in Babylon and we can learn from how the Lord led them.

They faced going back to their country which they remembered as it used to be and imagined the new normal to be much like that. But the land, their cities, were in disarray and it was a long process to rebuild the next normal.

To help them face the disappointments and stave off the many complaints, the Lord spoke to them through the words of the prophet Isaiah and led them using the leadership of people like Ezra and Nehemiah.

Nehemiah's prayer is recorded in the book named after him in 1:9. He recalled the promise of the Lord that, 'If you return to me and obey my commands, then even if your exiled people are at the farthest horizon, I will gather them from there and bring them to the place I have chosen as a dwelling for my Name.' Then he claimed the promise, 'They are your servants and your people, whom you redeemed by your great

strength and your mighty hand.' Yes, these are the same people You redeemed. Nehemiah goes on to make requests about their return.

We do not underestimate the challenges ahead as we move into the next normal. As we do so, let us follow the example of Nehemiah and pray. Pray for the whole process of meeting again, pray that we will be able to combat the disappointments, persevere when plans keep changing and respond quickly when the Lord leads us.

## **A reminder of a few ways you can get involved in the Easter services...**

**For Easter Sunday**, I would like some artwork. The image is to be a cross and can be done any creative way you would like. It could be a painting, a couple of sticks from the garden, household items, sculpture, digital art. The options are without limit but the final photo/image will be part of your contribution to worship. (Any images cannot be copied from the internet, for copyright reasons.)

From our **Facebook** page....

Thank you to Anja for sharing the following supported by BMS

## **CAMPAIGN FOR A COVID-FREE WORLD JOIN THE GLOBAL CHRISTIAN MOVEMENT FOR EQUITABLE VACCINE ACCESS**

Sign this petition and fight for a world where everyone is safe from the effects of Covid-19.

**By signing, you will:**

- join a movement of UK Christians whose signatures will go to 10 Downing Street, calling for the Government to take on the four justice steps below. We'll also provide you with prayer points and other opportunities to make a practical difference.
- add your support to the Baptist World Alliance's (BWA) petition calling for action from world governments, and thus stand in solidarity with the BWA family of over 47 million global Baptists.

*Therefore encourage one another and build each other up, just as in fact you are doing” 1 Thess. 5:11*

We need to encourage each other and stay connected. Do you have a Bible verse, poem, passage or song or any of the following? Something you are thankful for. Something that has made you laugh. If you have found something online that would be a good resource for us please share. If you don't feel comfortable sharing in "person" this may be the way for you to encourage others. *Sarah*

**Friday Outings** are transforming into Friday Elevenses at Home. They will take place once a month on Zoom on a Friday morning at 11am, and are an opportunity for a chat. Our first session was on Friday 12th February at 11am, next one on 23<sup>rd</sup> April. If you are interested please contact Christina Greeves or Sue Watkin ([kbcscscribe@hotmail.com](mailto:kbcscscribe@hotmail.com)) who can send you the meeting link. Thanks Christina

**Videos and photos of you...** To keep us connected, how about putting together a short video (no more than 3 minutes) on what you have been doing over lockdown. You could show us something that you have grown or built, somewhere you have gone or someone you met up with. Or a pet. Or your latest car if you have changed it. I suppose it could just be a photo but a short video maybe done on your phone would be fun. The idea is to give us a window into our life at a time when we are blocked off. Think what you can do and then send it over to me or the Tech Team and I will slot it in our time together on Sundays.
