

For there is one God and one mediator between God and mankind, the man Christ Jesus, who gave himself as a ransom for all people. This has now been witnessed to at the proper time.

From the minister...

In 2020, worldwide there were sent...

100,000,000,000,000 (100 trillion) emails
2,200,000,000,000 (2.2 trillion) texts
200,000,000,000 (200 billion) tweets

Go back three years. Amongst all those communications, who saw what was coming? A few could foresee the problems of Ukraine, a very few could see the danger of a pandemic. And no one said a thing about Will Smith throwing a punch at the Oscars.

So we are reminded that the future is very unpredictable and what shall we do? When I do a large puzzle, I start with what I can do. I pick out distinctive colours, or a feature, and, of course, the outside pieces though I may delay any sky pieces. So in our walk with Jesus, what can we do? We can stand on who we are – God's people, His children – and give thanks for that in worship. We can do that. We can find something to bring the love of God to others from simple giving of money to making the effort to talk to someone who lives alone, or doing a good job at work to please the Lord. We can do that.

The future – who know? By all means speculate, but practically, find something that is good to do as a Christian and get on with that. And there is plenty to do.

David

Prayer for Ukraine – A Prayer for Peace

God of peace and justice,
 we pray for the people of Ukraine today.
 We pray for peace and the laying down of weapons.
 We pray for all those who fear for tomorrow,
 that your Spirit of comfort would draw near to them.
 We pray for those with power over war or peace,
 for wisdom, discernment and compassion to guide their decisions.
 Above all, we pray for all your precious children,
 at-risk and in fear, that you would hold and protect them.
 We pray in the name of Jesus, the Prince of Peace.
 Amen

Archbishop Justin Welby
 Archbishop Stephen Cottrell

Here is some more information about one of the ways we can help the people of Ukraine:

Christian Response to Easter Europe (cr2ee)

Known by Sarah Oddy for many years, they been meeting the Ukrainian refugees at the border, providing them with food and finding them somewhere safe to stay.

They ask for:

- ▶ Funds to send the items to Moldova. Each lorry costs around £4,000. We have also been sending funds direct to our colleagues in Moldova to enable them to buy items immediately whilst waiting for the lorry to arrive.
- ▶ Very good clothing and bedding (duvets, blankets, sheets, duvet covers, sleeping bags - not second-hand pillows), food - non-perishable and must be in date by at least 6 months, (tinned food, pasta, rice etc.), over the counter medicines, toiletries (not bubble bath as most do not have baths), sanitary towels, nappies, and incontinence pads.
- ▶ Help in collecting items from people. The lorry departs from Exmouth.

Therefore encourage one another and build each other up, just as in fact you are doing" 1 Thess. 5:11

We need to encourage each other and stay connected. Do you have a Bible verse, poem, passage or song or any of the following? Something you are thankful for. Something that has made you laugh. If you have found something online that would be a good resource for us, please share. If you don't feel comfortable sharing in "person" this may be the way for you to encourage others.

Sarah

A few months ago, Tessa was reflecting on a prayer she had heard which best suited the Bible verses we were studying that day, and after a little research we found all the details. The Psalmists were reminded of this prayer once again on Tuesday, prayed by Jacob Astley, 1st Baron Astley of Reading in 1642, at the Battle of Edgehill:

"O Lord, Thou knowest how busy I must be this day. If I forget Thee, do not thou forget me"

We know that God does not forget us, that he is with us every step of every day. Recently, Sue was able to share this with someone who said that they felt distant from God, by telling them that "no matter how distant you may feel, God is never distant, He is holding you close to Him".

CAP Money Training

CAP Money is a three-part course covering how to manage money and so keep away from debt problems. We are exploring the opportunity to run CAP money courses locally. To help prepare, we need a few people trained up to help out run the course. If you would like to train as a CAP Money coach, online interactive training on Saturday 30 April or 21 May 09:15am - 12:45pm. KCBC will cover the fee. Please see David if you are interested. (Someone indicated interest last Sunday but I didn't make a note of who it was – so please remind me!)

A Message from Rose

Loneliness will affect us all at some point in our lives. We probably all recognise that feeling of isolation from others -sometimes when we are standing in a crowded room. It's all about the quality of connection we share with other people and the pandemic has really shown up those of us who feel lonely, unheard or disregarded in some way. None of us are immune to needing human interaction but if we know who we are in Christ and we know the power of God's love and Spirit walking beside us it can really help with feelings of loneliness. It also makes us the ideal people to think about walking alongside those who are struggling with feelings of loneliness.

You may remember that I mentioned at a Members' Meeting a few weeks ago that I was exploring the possibility of starting a befriending or listening service for people in Kingsteignton. I am still exploring and am now at the stage when it would be great to know how many people would you be interested in being involved. No commitment at this time, just an indication of whether you would like to know more.

Please email me on rose@kcbchurch.org.uk.

And please, don't discount yourself if you have been or even are lonely. Christina did a beautiful retelling of the woman washing Jesus' feet with her tears and perfume on Sunday for Owls and I was reminded that those who have been forgiven much, love much. Those who have experienced pain and felt supported are often those most capable of giving that support back.
