CAP is organising a training day for those who feel called to run CAP Money courses on Saturday 3rd March 10-4pm in Bristol.

The CAP Money Course is a revolutionary money management course that teaches people budgeting skills and a simple, cash-based system that really works.

If you would like to find out more please talk to Val.

Sunday 11th - Word and Testimony worship service.

We would love to hear from one another about what God has been doing in your life. Please sign up on the sheets on the tables is you can either...

- Read a few verses of the Bible that have blessed you.
- Read, and share why the verse(s) have helped you.
- Share something of your recent story, how God has met you in your life.
- Share how you became a Christian.

We will try to keep each contribution to under 3 minutes to enable as many as possible to participate.

Word Alive

The Bible is a problem to Christians, sometimes. Not because of the challenge it brings to our lives but because our confidence in accepting it as the Word of God can be shaken for all sorts of reasons.

What obstacles are in the way of Christians who want to understand the Bible as the Word of God? What can, from time to time, undermine our confidence? What worries might Christians harbour about the Bible as we have it? We will face some of these issues and seek to put together a framework with which we can form a response. At the end of the evening we may be able to help others value the Bible more and maybe help remove some of the obstacles which block us from treasuring the Bible so much that we can't read it enough.

David

“Therefore encourage one another and build each other up, just as in fact you are doing. ” 1 Thess. 5:11

Do you have a bible verse, poem, passage or song etc. that has been of encouragement that you would like to share? If so please let me know so that I can include it in the newsletter and we can all encourage each other...

Thanks *Sarah*
