From David

Thank you to everyone who worked so hard to ensure we were able to go back to our Zoom only worship service last week after we hit the snake and went back a few places. This week we plan to be back in the hall.

We continue to work together to ensure we get through these challenging times. At our Church Members' Meeting next week, we have opportunity to feedback on our experience at KCBC of coming out of lockdown and put forward any ideas we have to improve things.

At the meeting we will also be told of, and have a chance to comment on, opportunities to have someone come alongside us and help us in mission and ministry. It's early days, but we start the conversation now.

Every week making the service happen requires a large team all working together. Over the Summer, we may not have enough people to do the sound and computer work every week, in which case we will need to scale things to what we can do. Hopefully enough people come forward for us to manage. It also requires a lot of our patience, as

we can't all be present each week and I know some of you have to face the disappointment of deferring a Sunday booking for a week. We thank Sue for her wonderful work of fitting in those who have to be there, those who should be there and those who want to be there.

So at the hall or on Zoom, we meet again soon.

We need helpers

To enable to hybrid services (hall and Zoom) to continue, we need your help.

Could you...

- Be part of the Tech. team, we need extra volunteers to help with the PA and production of the Zoom service (full training will be provided).
- Help with Eagles and Owls?

A full set of clear instructions are provided for each team.

If you are able to help please let David or a member of the leadership team know you really will be an answer to prayer.... Thank you

Notes for your diary

- **Church Members Meeting 6th July**

Please be advised that the meeting will once again take place via videoconference and an email will be sent out nearer the date and the link to join via Zoom. The meeting starts at 7:30 p.m. and Zoom will be open from 7:15 to give opportunity to get online and set up.

- **Friday Outing** - 10.30am Friday 16th July meeting in Forde Park, Newton Abbot. Bring your own refreshments or buy them from the Pavilion Community Café in the park. Please bring something to sit on. If the weather is bad, we will try again on the 23rd. Please contact Christina or Sue W if you are interested in coming.
- **Quiz** – Graham has kindly agreed to continue to host Quizzes via zoom as long as we have enough interest so invite friends and family and don't forget you can now meet in groups to make up teams.
Next date to follow soon.

Therefore encourage one another and build each other up, just as in fact you are doing” 1 Thess. 5:11

We need to encourage each other and stay connected. Do you have a Bible verse, poem, passage or song or any of the following? Something you are thankful for. Something that has made you laugh. If you have found something online that would be a good resource for us, please share. If you don't feel comfortable sharing in "person" this may be the way for you to encourage others. *Sarah*

Videos and photos of you... To keep us connected, how about putting together a short video (no more than 3 minutes) on what you have been doing over lockdown. You could show us something that you have grown or built, somewhere you have gone or someone you met up with. Or a pet. Or your latest car if you have changed it. I suppose it could just be a photo but a short video maybe done on your phone would be fun. The idea is to give us a window into our life at a time when we are blocked off. Think what you can do and then send it over to me or the Tech Team and I will slot it in our time together on Sundays.
