*“Therefore encourage one another and build each other up, just as in fact you are doing” 1 Thes 5:11*

It is great to hear how God has been encouraging his people. Throughout Scripture we see instructions to encourage one another and verses that are meant to encourage us. It would be great if YOU could forward bible verses, poems, passages, songs etc. that have been of encouragement, I can then include them in the newsletter and we can all encourage each other...thank you

## **Caring for People With Dementia - You Can Make a Difference**

Dementia is often talked about but little understood. It can be distressing when people we care about develop dementia or receive a diagnosis of Alzheimer's but how can we care from them?

In this evening event we will be guided by Dr Arnold Cade, a psychiatrist of many years' experience and a member of one of our local churches. Arnold will help us explore what dementia is (and isn't), how it can affect people and how we can make a positive difference to people for whom dementia is an issue. We will have opportunity to bring any personal experiences or concerns to the session and think through together how we can help.

This FREE event is open to people outside KCBC. Do consider who you might invite. Venue: Community Hall.

Date: Sunday 6<sup>th</sup> December Time: 7:30 p.m. - 9:00 p.m.
