Update from Rich & Cheryl

Thank you all for your cards, emails, visits, prayers, and other messages of support and encouragement.

I continue to improve gradually, my pain levels are decreasing and the markers of the disease are dropping with the treatment. I miss seeing you all but need to avoid public spaces due to the risk of infection. I hope to be back to 'normal service' around the end of the summer holidays. We are going to run an Alpha Course at KCBC in the Autumn.

Pray about whether this is something you could be a part of - or maybe come as a guest and explore faith for yourself.

We will be running a 10 week Alpha on Monday evenings. Opening night - September 9th.

Now is the time to think about getting involved. If you would like to help, come for own benefit or accompany a guest, let one of the planning team know (Sarah, Michael, Natalie, Mary, Steve, David).

This will help us gauge the level of provision.

Those who help out as group leaders or assistants will be supported with full training.

“Therefore encourage one another and build each other up, just as in fact you are doing” 1 Thess. 5:11

At a recent CAP Teignbridge Prayer and Praise we were reminded by David (a retired minister) that we should give all our concerns to God and then not to worry (I know easier said than done). God’s love for us has no beginning and no end so he wants us to come to him; to cry for help in the bad times and show our gratitude in the good.

We Do you have a bible verse, poem, passage or song etc. that has been of encouragement or that you are thankful for that you would like to share? If so please let me know so that I can include it in the newsletter and we can all encourage each other. *Sarah*
