CHURCH MATTERS

"The Lord is near to all who call on him." (Psalm 145:18)

Prayer has always been the quiet centre of the Christian life. It is simple enough for even the youngest to grasp, yet deep enough to sustain us through every season of life. In prayer we remember who God is, who we are, and what it means to walk in step with His Spirit. It recentres our hearts, sharpens our vision, and opens us to the transforming work of grace.

This week's sermon invites us to explore prayer not as a duty but as a lifeline - an ongoing conversation with the God who listens, speaks, and acts. Whether your prayers feel strong and steady or fragile and faltering, God delights in meeting us right where we are. May our time together this week encourage you to draw near to God with renewed confidence and expectation.

"A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another."

KCBC FELLOWSHIP TOGETHER

Gracious God, we pray for peace in your world: for all national leaders, that they may have wisdom to know and courage to do what is right; for all men and women, that their hearts may be turned to yourself in the search for righteousness and truth; for those who are working to improve international relationships, that they may find the true way of reconciliation; for those who suffer as a result of war: the injured and disabled, the mentally distressed, the homeless and hungry, those who mourn their dead, and especially for those who are without hope or friend to sustain them in their grief. God of grace, hear our prayer, through Jesus Christ the Prince of Peace and the Saviour of the World.

AMEN

"For where two or three are gathered in my name, there I am with them."

Matthew 18:20

From time to time we all need an extra word of encouragement, a boost or a spiritual hug, so if you have something you'd like to share with the whole fellowship, please do pass it along - a Bible Verse, a particular passage, a faith song, study resource, an idea or simply a passing thought. If you feel that something has been of benefit to you, and you want to share
