THAT Foodbank

Thank you to everyone who provided items for our recent fellowship donation to THAT Foodbank, either through groceries or financially - your continued support of the most vulnerable in our local community is very much appreciated.

May this donation be a blessing to those who receive it and whilst we pray that the situation improves for everyone that commitment to provide help continues for as long as it is required. Thank you once again, Sue

For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink...whatever you did for one of the least of these brothers and sisters of mine, you did for me.

Safeguarding Training

If you have received an email from Tessa asking you to sign up for safeguarding training but haven't yet done so, please do! Once you have signed up please let Tessa know.

There are places still available for most of you that need only level 2 training at Pinhoe Baptist Church Exeter on an evening session on Monday 30th September.

For the leadership team and anyone not able to attend at the Pinhoe session there is an all day event at Hope Baptist Church, Plymouth on Saturday 19th October. If you only need level 2 then you only need to attend the morning session.

You can sign up here <https://www.swbaptists.org.uk/learning-community/safeguarding/>

If there is any problem or you are unable to sign up yourself, please contact Tessa and she can do it on your behalf.

It is important that all of us that work with children or vulnerable adults at KCBC events are up to date with the required training.

Therefore encourage one another and build each other up, just as in fact you are doing" 1 Thess. 5:11

We need to encourage each other. Do you have a Bible verse, poem, passage, or song or any of the following? Something you are thankful for. Something that has made you laugh. If you have found something online that would be a good resource for us, please share. If you don't feel comfortable sharing in "person" this may be the way for you to encourage other

UPDATE

Following his safe return from visiting Moldova and Ukraine, Hugh Skudder provided us with an update at the prayer and news' meeting this week.

We heard many moving stories, for example – Alisa in Moldova, a single mum with three young boys to look after and no wage coming into the home, is making sure that Serge, a paralysed man living in her village, is cared for and is providing food and visits most days.

In Kiev, Hugh visited one of the Baptist churches we are supporting, where the ladies sit making little food packs of dried meat, dried fruit etc. to go to the frontline. Each food pack contains a handwritten note saying that the recipient is valued and loved by both the sender and God. In another part of the room they are making camouflage nets and candles in tins; anything they can do to help.

When Hugh was in Ukraine he was struck by the resilience of the people who are now exhausted by the continual bombing and who often feel forgotten. They ask that we pray for peace and an end to Ukraine's suffering.

We give thanks for

- the donations that have enabled us to give families ducks and chickens;
- all the soup kitchens providing nutritious food (often several times a week), play time for children and teaching, a safe place for young and old to come;
- for the summer camps especially those in Ukraine where children can come and just be children with none of the worries of war (unfortunately it is not safe to all stay together at night, so they go home in the evenings);
- For CR2EE's new mobile medical team as they travel the country giving assistance to those unable to pay for care.

We pray for

- the harvest in Moldova, where it has been very hot, barely any rainfall and so little has grown. If it fails people will go hungry this year;
- for all those caring for the disabled and vulnerable with no support (it is not uncommon for husbands to leave once a child is known to have difficulties). That the local church can support them and provide hope where there seems to be none;
- for the pastors who are ministering in a war-torn country, both at home and on the frontline, that they may know God's strength and peace;
- for all the families divided by the war that they too may know God's strength and peace.
- Another lorry is due to leave here soon, please pray that all goes well with the planning, paperwork, journey and distribution.

Thank you for your ongoing support. As one of the ministers said, "You are not just giving us aid, you are giving us hope and reminding us that someone cares!"

If you would like further information about the work of CR2EE or have anything to donate, Nick & Sarah would be only too pleased to hear from you.

Prayer for Ukraine –A Prayer for Peace

God of peace and justice,
we pray for the people of Ukraine today.
We pray for peace and the laying down of weapons.
We pray for all those who fear for tomorrow,
that your Spirit of comfort would draw near to them.
We pray for those with power over war or peace,
for wisdom, discernment and compassion to guide their decisions.
Above all, we pray for all your precious children,
at-risk and in fear, that you would hold and protect them.
We pray in the name of Jesus, the Prince of Peace.
Amen
