Christian Response to Eastern Europe Update and Prayer requests January 2026

UKRAINE

As you will have seen on the news, the situation in Ukraine is grave. Russia continues to target the civilian population and energy infrastructure and the supply of interceptor missiles by its allies has reduced. Recently, temperatures have also plummeted to -17 at night and -12 in the day. Long power-cuts are an every-day occurrence.

Against this backdrop the work of cr2ee continues and we are making a real difference. Just one of our partner churches is supporting 60-70 families with food parcels. So far, they have provided 1440 parcels which represents over 7 tonnes of food aid. For pensioners, over half their income can be spent on medicines and medical help leaving little for food and heating so this support is life changing.

cr2ee is also supporting vulnerable, internally displaced people and military families. Here is just one example. David is still very young, yet life asked more of him than it ever should. When his sister passed away, she left behind three children who suddenly had no mother. Without hesitation, David stepped forward and opened his heart and home to them; two boys aged 16 and 13, and a little girl aged just 9. They lived together in a small flat. Life was hard, money was scarce, but what they had was love, determination, and each other. Despite their grief and struggles, they were a close, caring family who were doing their very best to move forward after an unimaginable loss.

On 9 January, everything changed again. The block of flats they lived in was struck by a Russian missile. By the grace of God, none of the family were seriously injured, but their home was gone. This is not an isolated story. This is the heartbreak reality for so many families across Ukraine right now - families who have already endured so much, now forced to start again with nothing. Because of the incredible kindness and generosity of cr2ee supporters, we are able to stand

alongside David and the children and help them through this devastating time.

Much support is being provided to members of the military and their families. Camp beds, tourniquets, medical supplies, clothing and emotional support is making a real difference. Many injured soldiers reach field hospitals in the fatigues they were wearing which often need to be cut away for them to be treated. There were 8 pallets of new clothing, donated by local businesses, on the last Aid Lorry but there is still a need for simple things like new underwear and socks for these service personnel.

Those recovering or coming home on leave are finding it hard to adjust after all that they have seen and endured on the front line. This is not only hard for them but also for their families.

Please pray for

- An end to the war and lasting, just peace.
- Much of the power grid has been damaged with power rationed across the country but generators and power packs as well as gas and spare parts for stoves provided through your donations are helping.

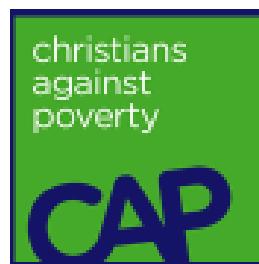

- David and his nephews and niece and other families suffering grief and displacement.
- The service personnel and their families as they spend a short amount of time together and try and cope with all that they have endured.
- The work cr2ee is doing with our partner churches to support the wives and mothers of the missing. Please pray for all those attending.
- The "soup kitchens" and the distribution of food parcels to those who are really struggling.
- We give thanks for the medical supplies that have been donated to be used at the front field hospitals.
- Please pray for wisdom for the trustees of cr2ee, that they can discern where help is needed the most, that the work is able to continue and that any obstacles be removed.

BUT most of all please pray for peace and that God's love will shine through all cr2ee is doing in Ukraine.

There is much more happening in Ukraine that needs our prayers. If you would like to know more about the ongoing prayer requests or answers to prayer please ask Sarah.

If you would like further information about cr2ee or have anything to donate, Nick & Sarah would be very pleased to hear from you

KCBC FELLOWSHIP TOGETHER

Gracious God, we pray for peace in your world: for all national leaders, that they may have wisdom to know and courage to do what is right; for all men and women, that their hearts may be turned to yourself in the search for righteousness and truth; for those who are working to improve international relationships, that they may find the true way of reconciliation; for those who suffer as a result of war: the injured and disabled, the mentally distressed, the homeless and hungry, those who mourn their dead, and especially for those who are without hope or friend to sustain them in their grief. God of grace, hear our prayer, through Jesus Christ the Prince of Peace and the Saviour of the World.

AMEN

"For where two or three are gathered in my name, there I am with them."

Matthew 18:20

From time to time we all need an extra word of encouragement, a boost or a spiritual hug, so if you have something you'd like to share with the whole fellowship, please do pass it along - a Bible Verse, a particular passage, a faith song, study resource, an idea or simply a passing thought. If you feel that something has been of benefit to you, and you want to share

We'd like to share some of the wonderful comments received from KiLTs' families about the Travelling Nativity from last year's Advent season. Once you've read them, you will see why we enjoy continuing to ensure the real story of Christmas is welcomed into people's homes.

"We loved playing with the nativity and listening to the story. Our Candle is proudly hung on the Christmas Tree. A lovely festive activity to do with the children."

"My grandchild enjoyed playing independently with the characters and then we acted out the nativity together. Loved the interactive book and the candle is hanging on Nanny's tree."

"I enjoyed playing with it. I loved the new angel she's so cute. I noticed the new

characters. Thank you it was so much fun."

"I liked the angel, I love playing with them, it was lovely. I love how you celebrate Jesus' birthday."

"Our children had the best time with the Nativity. My eldest read the story while the siblings played with the characters. My youngest has popped candle on our tree. Thank you so much for such a lovely activity."

"My grandchild loved moving all the characters as I read the story, The Noisy Nativity - we read the story several times. The candle is on nanny's tree. Thank you."
